In studying this lesson keep in mind the verse given in question number 1. If Jesus is the same yesterday, to day, and forever and He healed ALL who came to Him expecting, then He must still heal today and He will continue to heal tomorrow and forever! Notice that in every instance in the New Testament when someone came to Jesus expecting healing they received their healing. Jesus never refused to heal anyone. Nor did He ever say it's not my will to heal you today.
