Notes or Comments:

In some translations the word power is used when the Greek word "*exousia*" is used and this should really be authority. When the Greek word "*dunamis*" is used it means force, miraculous power, ability, might, or strength and in that instance it is appropriate to use power. Note however that the translators chose to translate both as power in most instances.

Memory Verse:

Romans 13:1NKJV Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God.

John 8:32 KJV

And ye shall know the truth, and the truth shall make you free.
